The above-referenced article (“the Article”) has been accepted for publication in the Microbes and Environments (“the Journal”). In order to maintain and protect the standards in the publication of the Journal published by the societies listed below (“the Societies”), the Societies require that the Author signs this Copyright Transfer Agreement as a condition agreed by the Societies to publish the Article.

***The Societies: Japanese Society of Microbial Ecology (JSME); Japanese Society of Soil Microbiology (JSSM); Taiwan Society of Microbial Ecology (TSME); Japanese Society of Plant Microbe Interactions (JSPMI); Japanese Society for Extremophiles (JSE)***

The Author hereby grants and assigns to the Societies all rights under the copyright laws of Japan and all other countries, in and to the Article, for the duration of all terms of copyright and any renewals or extensions thereof. JSME shall act as the representative copyright holder, authorized to make decisions on behalf of the Societies regarding matters concerning the copyright of the Article. The Journal applies the Creative Commons Attribution License (<https://creativecommons.org/licenses/by/4.0/>) to all works published by the Journal. Anyone may download, reuse, copy, reprint, distribute, or modify articles published in the Journal, if they cite the original authors and source. This ensures that requests from third parties to reproduce articles are handled efficiently and consistently and will also allow the article to be disseminated as widely as possible. In assigning copyright, the Author may use their own material in other publications, provided that the Article in the Journal is acknowledged as the original source of publication. All proprietary rights other than copyright (such as patent rights) are held by the Author.

### **Agreement by corresponding or senior author on behalf of all authors:**

As the corresponding author of the Article, I declare that all co-authors of the Article have read and agreed to the terms of this agreement. I have been authorized by all co-authors to sign this agreement on their behalf. The Article is the Author’s original work and has not been previously published (except in the form of an abstract, preprint in non-commercial servers such as ArXiv, bioRxiv, and psyArXiv, or as part of a published lecture, review, or thesis), and is not under consideration for publication elsewhere.

*If this Article had been posted as a preprint on non-commercial servers such as ArXiv, bioRxiv, and psyArXiv, please check the checkbox below.*

I confirm that the preprint has been updated on the preprint server with a citation to the final published version of this Article that includes the Journal's unique digital object identifier (DOI).
